

5 THINGS YOU NEED TO KNOW ABOUT RENEWED COMPUTERS!

- 1** All donated technology that we receive and refurbish is between 4-8 years old.
- 2** When you place an order, we build the equipment and ship it to YOU within the 4-6 week time frame after the closing date of the group order.
- 3** Laptop batteries are not covered by our warranty. Please note: these are refurbished computers, we do not guarantee the functionality of the battery, battery life or the availability of web cams on the units.
- 4** For our desktop computers, like all desktop computers purchased in stores, the unit cannot connect wirelessly (Wifi is not included). For a Wifi wireless internet connection you will need to purchase a Wifi adapter (USB Network Adapter).
- 5** We do not ship to your house. There is a standard shipping fee added to each order, which covers shipping to partner location.

Renewed Computer Technology (RCT) is a not-for-profit, charitable organization that empowers learners, educators and not-for-profit organizations with increased access to information and communications technology (ICT), skill development and learning opportunities, in a socially and environmentally responsible manner.
