

TRUE NORTH FRIENDS BALLOON TWISTING WORKSHOPS

Balloon twisting is the newest activity that helps youth learn how to focus, challenge themselves and be more patient while expanding their creativity in a fun and inclusive atmosphere. Youth will also learn how growth mindset combined with a few natural self-calming, stress-reducing techniques can be used to make learning new skills easier.

Balloon twisting is an employable skill for school fairs, community festivals, birthday parties and other kid-friendly events.
